

MATA SUKHDEVI SCHOOL

SESSION 2025-26

Educational Trip to the Art and Craft Museum

Mata Sukhdevi School organized an educational trip for Classes VI to VIII on the 6th, 7th, and 8th of August. On the 6th, all sections of Class VI visited, followed by Class VII on the 7th, and Class VIII on the 8th. The destination was the renowned **Art and Craft Museum**, famous for its rich display of cultural art and diversity.

The primary objective of the trip was to help students understand the variety of art forms and cultural traditions followed in different parts of the country, and to appreciate their historical significance. The trip timings were from 8:30 a.m. to 2:00 p.m., and class teachers, along with additional staff, accompanied the students to ensure discipline and safety.

Students were fascinated by the vibrant exhibits, traditional handicrafts, and historical artefacts. They carried notebooks to jot down their observations and experiences, which helped in making the learning process more engaging and interactive. A special cultural dance event was also conducted at the museum, representing a particular tradition. This not only entertained the children but also gave them a deeper insight into cultural expressions through art and performance.

Towards the end, refreshments were distributed to the students. The school buses arrived back on time, ensuring a smooth and safe return. The trip proved to be an enriching experience, blending education with enjoyment. It not only broadened the students' knowledge of cultural diversity but also instilled in them a sense of appreciation for India's rich heritage.
